TF Card & USB Device Input
To use a TF card, insert the TF card into the TF card input port on the speaker with the metal contacts facing down, and push in until it clicks.

To use a USB device, such as a USB flash drive containing audio files, insert the USB device into the USB port on the speaker.

Note: You must have a TF card or USB device inserted to switch to TF or USB input mode.

Change input modes until you enter TF or USB mode. The speaker will automatically begin playing music off the device.

In TF card mode, control playback with the controls on the speaker.
• Press the center of the Playback Dial to pause and resume playback.
• Press the Playback Dial to the left and to the right to skip tracks.

Using the FM Radio
Change input modes until you enter FM radio mode.

In FM radio mode, playback will be controlled by the buttons on the front of the speaker.
• Press the center of the Playback Dial to start or stop scanning and saving available radio stations. The radio will make a complete scan and save of all nearby radio stations.
• Press the Playback Dial to the left and to the right to skip through saved stations.

Compliance Information

FCC Information
This device complies with Part 15 of the FCC Rules.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Radiation Exposure Information
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

WARNING Li-ion Battery Inside
This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

Rating Label Definitions

⎓ — Direct current symbol.

🚫 — This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.

BC — This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.

🅱 Bluetooth — This symbol signifies that this is a wireless device powered by Bluetooth® technology.

FC — This symbol represents FCC Declaration of Conformity and compliance.

Warranty Information

90-Day Limited Warranty
Territory: United States/Canada

LIMITED WARRANTY TO ORIGINAL CONSUMER
This product as supplied and distributed new by an authorized retailer is warranted by Southern Telecom, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:

To obtain warranty service:
• Visit our customer support portal: **www.customersupport123.com**
• Select the brand and model of your device
• Select "Service Request" and fill out the form to begin your inquiry
• Exchanges require dated proof of purchase from an authorized retailer

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping will require you to file a claim with the carrier.

Warranty service not provided
This warranty does not cover damage resulting from accident, misuse, abuse, improper installation or operation, lack of reasonable care, unauthorized modification including software modifications such as the installation of custom firmware. This warranty is voided in the event any unauthorized person opens, alters or repairs this product. All products being returned to the authorized service center for repair must be suitably packaged.

NO WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN THOSE EXPRESSLY DESCRIBED ABOVE SHALL APPLY. DISTRIBUTOR FURTHER DISCLAIMS ALL WARRANTIES AFTER THE EXPRESS WARRANTY PERIOD STATED ABOVE. NO OTHER EXPRESS WARRANTY OR GUARANTY GIVEN BY ANY PERSON, FIRM OR ENTITY WITH RESPECT TO THE PRODUCT SHALL BE BINDING ON DISTRIBUTOR. REPAIR, REPLACEMENT, OR REFUND OF THE ORIGINAL PURCHASE PRICE - AT DISTRIBUTOR'S SOLE DISCRETION - ARE THE EXCLUSIVE REMEDIES OF THE CONSUMER. IN NO EVENT WILL DISTRIBUTOR OR ITS MANUFACTURERS BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS) CAUSED BY THE USE, MISUSE OR INABILITY TO USE THE PRODUCT EXCEPT AS STATED HEREIN. NO OTHER WARRANTIES SHALL APPLY. NOTWITHSTANDING THE FOREGOING, CONSUMER'S RECOVERY AGAINST DISTRIBUTOR SHALL NOT EXCEED THE PURCHASE PRICE OF THE PRODUCT SOLD BY DISTRIBUTOR. THIS WARRANTY SHALL NOT EXTEND TO ANYONE OTHER THAN THE ORIGINAL CONSUMER WHO PURCHASED THE PRODUCT AND IS NOT TRANSFERABLE.

Some countries, states or provinces do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on warranties, so limitation or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or province to province. Contact your authorized retailer to determine if another warranty applies.

⚠ **Caution**
To ensure safe and proper use, read all safety information before using the device. Only use with manufacturer-approved batteries, chargers, accessories, and supplies.
• **THIS DEVICE IS NOT A TOY**, do NOT allow children or pets to use or play with this device.
• Do not disassemble, modify, or repair the device.
• Do not expose to extreme temperatures (heat or cold), open flames, humid, or wet conditions.
• Do not submerge in water.
• Low power may cause poor Bluetooth connection or sound distortion.
• Do not overcharge battery.
• If using with a USB adapter, make sure the adapter is not damaged.
• Do not allow the USB port or the connectors of the supplied USB cable to be exposed to dust or water, or to come into contact with any conductive materials such as liquids, metallic powders, etc.
• The speaker should not be disposed of with regular household waste. Please consult the local authorities on the correct way to dispose of this device.

Getting Started

Charging the Speaker
Plug the micro-USB connector of the supplied USB charging cable into the charging/AUX port on the side of the speaker. Plug the USB connector into the USB port on a computer, or into a **5V USB adapter** *(not included)* and plug into an electrical outlet.

The charging LED indicator will **turn RED** while charging and turn OFF when fully charged. When the speaker is low on power, a tone will be heard indicating that it needs to be recharged.

Powering ON/OFF
• Move the **[Power]** switch on the side of the speaker to power ON and OFF.
• When powered ON, the speaker will enter Bluetooth pairing mode, and will automatically re-pair to any available previously-paired device nearby.

Adjusting Volume
In all modes, overall volume can be adjusted with the Playback Dial on the side of the speaker. In AUX and Bluetooth modes, volume can also be controlled by your connected device.
• Press + hold the Playback Dial to the **left** side to **decrease** volume.
• Press + hold the Playback Dial to the **right** side to **increase** volume.

Adjusting Playback
In Bluetooth, AUX, TF and USB modes, playback can be controlled by the Playback Dial on the side of the speaker.
• Press the center of the Playback Dial to pause and resume playback.
• Press the Playback Dial to the **left** side to skip to the **previous** track.
• Press the Playback Dial to the **right** side to skip to the **next** track.

Changing Input Modes
Press and hold the Playback Dial on the side of the speaker to switch input modes. A TF card or USB device must be inserted or connected to switch to these modes.

Bluetooth Pairing
1. Power the speaker ON. A voice will be heard and the speaker will enter Bluetooth pairing mode. The LED indicator will **turn solid BLUE**.
2. Set your mobile device to search for Bluetooth devices. When the list appears, select **AR9530** from the found devices.
3. After a successful pairing, a voice will be heard and you will be able to play music on the speaker.

In Bluetooth mode, playback and volume can be adjusted by the controls on the side of the speaker, or by the controls on your paired device.
• Press the center of the Playback Dial to pause and resume playback.
• Press the Playback Dial to the left and to the right to skip tracks.

Using the AUX Input
Insert the micro-USB connector of the included 2-in-1 cable into the charging/AUX input port on the side of the speaker. Insert the 3.5 mm connector into the headphone jack or 3.5 mm aux output port on your media-playing device.

Switch input modes until you reach AUX mode.

In AUX mode, all playback will be controlled by your connected device.
