

# KNIGHT LITE

## Wall Charger KL100SKT

### READ CAREFULLY AND KEEP THIS CARD

#### FCC Information

This device complies with Part 15 of the FCC Rules.

**Caution:** Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

#### Using the Charger

Plug the charger into a wall outlet. Plug the USB connector of your USB cable into the USB power port on the bottom of the charger, and plug the other connector into your device.

#### Night Light

- 1x Touch: Low Brightness
- 2x Touch: Med. Brightness
- 3x Touch: High Brightness
- 4x Touch: Power OFF

## Rating Label Definitions

The ETL Mark is proof of product compliance to North American safety standards. Authorities Having Jurisdiction (AHJs) and code officials across the US and Canada accept the ETL Listed Mark as proof of product compliance to published industry standards.

This symbol represents FCC Declaration of Conformity and compliance.

This icon means that the product is meant for home use only. Do not use for industrial purposes.
