Warranty (cont'd)

NO WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN THOSE EXPRESSLY DESCRIBED ABOVE SHALL APPLY. DISTRIBUTOR FURTHER DISCLAIMS ALL WARRANTIES AFTER THE EXPRESS WARRANTY PERIOD STATED ABOVE. NO OTHER EXPRESS WARRANTY OR GUARANTY GIVEN BY ANY PERSON, FIRM OR ENTITY WITH RESPECT TO THE PRODUCT SHALL BE BINDING ON DISTRIBUTOR. REPAIR, REPLACEMENT, OR REFUND OF THE ORIGINAL PURCHASE PRICE - AT DISTRIBUTOR'S SOLE DISCRETION - ARE THE EXCLUSIVE REMEDIES OF THE CONSUMER. IN NO EVENT WILL DISTRIBUTOR OR ITS MANUFACTURERS BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS) CAUSED BY THE USE, MISUSE OR INABILITY TO USE THE PRODUCT. EXCEPT AS STATED HEREIN, NO OTHER WARRANTIES SHALL APPLY. NOTWITHSTANDING THE FOREGOING, CONSUMER'S RECOVERY AGAINST DISTRIBUTOR SHALL NOT EXCEED THE PURCHASE PRICE OF THE PRODUCT SOLD BY DISTRIBUTOR. THIS WARRANTY SHALL NOT EXTEND TO ANYONE OTHER THAN THE ORIGINAL CONSUMER WHO PURCHASED THE PRODUCT AND IS NOT TRANSFERABLE.

Some countries, states or provinces do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on warranties, so limitation or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or province to province. Contact your authorized retailer to determine if another warranty applies.

Warranty Information

90-Day Limited Warranty

Territory: United States/Canada

LIMITED WARRANTY TO ORIGINAL CONSUMER

This product as supplied and distributed new by an authorized retailer is warranted by Southern Telecom, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:

To obtain warranty service:

- Visit our customer support portal: www.customersupport123.com
- Select the brand and model of your device
- Select "Service Request" and fill out the form to begin your inquiry
- Exchanges require dated proof of purchase from an authorized retailer

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping will require you to file a claim with the carrier.

Warranty service not provided

This warranty does not cover damage resulting from accident, misuse, abuse, improper installation or operation, lack of reasonable care, unauthorized modification including software modifications such as the installation of custom firmware. This warranty is voided in the event any unauthorized person opens, alters or repairs this product. All products being returned to the authorized service center for repair must be suitably packaged.

FCC Information

This device complies with Part 15 of the FCC Rules.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Radiation Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

WARNING Li-ion Battery Inside

This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

Rating Label Definitions

— — — Direct current symbol.

This symbol signifies that this is a wireless device powered by Bluetooth® technology. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., used under license.

This symbol signifies that the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.

This symbol signifies and declares that this equipment complies with battery charging which complies with California CEC and energy efficiency.

Bluetooth Pairing

1. Power the speaker ON. A tone will be heard and the Bluetooth LED indicator will **quickly flash BLUE**.
2. Set your mobile device to search for Bluetooth devices. When it appears, select **BSSK6500** from the list of found devices.
3. After a successful pairing, a tone will be heard and the Bluetooth LED indicator will **turn solid BLUE**.

Using the AUX Port

Plug one connector of a 3.5 mm auxiliary cable (*not included*) into the AUX port on the speaker. Plug the other connector into the headphone jack or 3.5 mm audio output on your device. If the speakers are paired to each other, the AUX connection may only work with one of them.

- Press the **[Power]** button once to switch to AUX mode.

Storage & Maintenance

The speaker should be cleaned by wiping the outside surface with a damp cloth only. Never immerse in water or any other liquid.

The speaker is best stored in an airtight box or bag (*not included*) away from sources of dust, wind, moisture and sunlight. For best results, fully charge the speaker once a month, even if it is not being used.

TWS Pairing

The speakers can be used independently, or wirelessly paired to each other using the following instructions.

1. *Press + hold* both speakers' **[Power]** buttons at the same time **for 2-3 seconds**. A tone will be heard from both speakers and their LED indicators will flash BLUE.
2. After about 10 seconds, the speakers will automatically pair to each other, and a tone will be heard. One speaker's LED indicator will flash BLUE, and the other's will turn solid BLUE.

If the speakers do not pair to each other, press one of the speakers' **[Power]** buttons 2x quickly. The speakers should then automatically pair to each other within 5-10 seconds.

- 2x press the **[Power]** button on either speaker to disconnect/reconnect the TWS pairing.

Powering ON/OFF

- Press and hold the **[Power]** button to power the speaker ON and OFF. The **[Power]** button can be pressed through the protective rubber seal.
- When powered ON, the speaker will automatically reconnect to the Bluetooth device it was most recently paired to, so long as that device is within connection range (30 ft.) and Bluetooth is enabled. (**Note:** If you are attempting to pair the speakers to each other but one keeps pairing to your device, try turning your device's Bluetooth OFF, pairing the speakers to each other, and then attempting to connect the pair to your device.)
- The speaker will automatically power OFF after 10 minutes not in use.

Before You Begin...

READ THIS MANUAL CAREFULLY AND SAVE FOR FUTURE REFERENCE

To ensure safe and proper use, read all safety information before using the device. Only use with manufacturer-approved batteries, chargers, accessories, and supplies.

- **THIS DEVICE IS NOT A TOY**, do NOT allow children or pets to use or play with this device.
- **Do not disassemble, modify, or repair the device.**
- Do not expose the device to extreme temperatures (heat or cold), open flames, humid, or wet conditions.
- Low battery may cause poor Bluetooth connection or sound distortion.
- Do not overcharge battery.
- **Do not submerge in water.**
- Do not allow any of the ports on the speaker or any of the connectors of the supplied power adapter or cables to be exposed to dust or water, or come into contact with any conductive materials such as liquids, metallic powders, etc.
- The speaker contains a built-in battery and should not be disposed of with regular household waste. Please consult the local authorities on the correct way to dispose of this device.
- The speakers have an IP rating of **IPX5**. This means that they are protected against jets of water, with limited ingress permitted. Do not submerge in water.

Location of Controls

Using in Wet Conditions

This speakers have an Ingress Protection rating of **IPX5**. This means that they are protected against jets of water, with limited ingress permitted. They are NOT protected from submersion in water, such as flooding.

Always make sure that the protective rubber seal is completely covering the control panel before using the speaker in wet conditions. **Never charge the speaker or use the AUX port in wet conditions.**

Charging the Speakers

Undo the protective rubber seal on the side of the speaker and plug the small connector of the supplied charging cable into the micro-USB charging port. Plug the large connector into a USB power source, such as the USB port on a computer or a 5V/1A USB wall adapter (*not included*).

The LED indicators will turn RED while charging and turn OFF when fully charged. On low power, a tone will be heard indicating that the speaker needs to be charged.
