

User Manual PBGA16

<p style="text-align: center;">Location of Controls</p> 	<p style="text-align: center;">Getting Started</p> <p>Setup Insert the mouse's USB connector into a USB port on your computer. The mouse will automatically install any additional drivers required to operate.</p>  <p>When plugged in, the LEDs on the mouse will automatically turn on whenever your computer is powered on.</p> <p>Adjusting Sensitivity (DPI) The PBGA16 has 3 levels of sensitivity that can be adjusted with the [DPI] button.</p>	<p style="text-align: center;">FCC Information</p> <p>This device complies with Part 15 of the FCC Rules.</p> <p>Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.</p> <p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by one or more of the following measures: --Reorient or relocate the receiving antenna. --Increase the separation between the equipment and receiver. --Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. --Consult the dealer or an experienced radio/TV technician for help.</p> <p>This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation</p>	<p>Designed and distributed by Southern Telecom Inc., Brooklyn, NY 11220. ©2021 All Rights Reserved.
