<h3>Compliance Information</h3> <p>FCC Information This device complies with Part 15 of the FCC Rules.</p> <p>Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.</p> <p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> • Reorient or relocate the receiving antenna. • Increase the separation between the equipment and receiver. • Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. • Consult the dealer or an experienced radio/TV technician for help. <p>This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>WARNING Li-ion Battery Inside This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).</p> <p>Radiation Exposure Information This device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.</p> <p>Rating Label Definitions</p> <p> Direct current symbol.</p> <p> This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.</p> <p> This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.</p> <p> This symbol represents FCC Declaration of Conformity and compliance.</p>	<h3>Warranty Information</h3> <p>90-day Limited Warranty Territory: United States/Canada</p> <p>LIMITED WARRANTY TO ORIGINAL CONSUMER This product (including any accessories included in the original packaging) as supplied and distributed new by an authorized retailer is warranted by Southern Telecom, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:</p> <p>To obtain warranty service:</p> <ul style="list-style-type: none"> • Visit our website at www.southern telecom.com • Click on Product Support • Select the Brand of your device. • Select Service Request and fill out the form to begin your inquiry <p>Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. <h3>Getting Started</h3> <p>READ ALL INSTRUCTIONS CAREFULLY BEFORE USE AND KEEP THIS MANUAL</p> <p>Questions & Support If you have any questions or problems concerning this product, please visit our website at SouthernTelecom.com and click on Product Support.</p> <p>In the Box</p> <ul style="list-style-type: none"> • OLID1085 - UV-C Sanitizer (x1) • Charging Cable (x1) • User Manual (x1) <p>⚠ Important Safety Instructions</p> <ul style="list-style-type: none"> • This product is NOT a toy, keep away from children and pets. • Only use the device according to the instructions in this manual. Never use the device for anything other than its intended purpose. • This device is NOT a substitute for proper medical equipment or attention. • ONLY use the supplied charging cable. • Do not open this product or attempt to repair the unit yourself should it not be working. Doing so risks fire, shock or injury. • The device contains a safety feature that powers it off automatically when the cover is opened. Do NOT disable this safety feature. Never allow UV-C light to shine in eyes or on skin. • When not in use, the device should be stored in a dry, cool location, away from sources of water or heat. • It is recommended that the device be covered to protect it from exposure to dust if it will not be in use for a long period of time. • Do not expose device or power cable to extreme temperatures (heat or cold), open flames, humid or wet conditions. • Do not submerge in water. Do not use in a location where the device or power cable could fall into liquid. • Unplug the charging cable when not in use. Do not pull the charging cable to disconnect, or use the cable as a handle. • Do not use if device or power cable is damaged. If device or power cable is damaged, it MUST be serviced or replaced by the manufacturer or its service agent before using again. • Low battery may cause dysfunction. • Do not overcharge battery. • If using with a USB adapter, make sure the adapter is not damaged. • Do not allow the USB port or the connectors of the supplied USB cable to be exposed to dust, or water, or come into contact with any conductive materials such as liquids, metallic powders, etc. • This device contains a built-in battery and should not be disposed of with regular household waste. Please consult the local authorities on the correct way to dispose of this device. 	<h3>Location of Controls</h3>  <p>UV-C Sanitizer Toothbrush Holder</p> <p>Lid</p> <p>Opening for Toothbrush</p> <p>Top of Holder</p> <p>LED Indicator</p> <p>Back of Holder</p> <p>Micro-USB Charging Port</p> <p>Detachable Magnetic Piece with Attached Mounting Tape</p> <p>Installing the Holder</p> <ol style="list-style-type: none"> 1. Choose a smooth, non-porous wall or surface on which to mount the toothbrush holder. Be sure about the location choice, as the adhesive tape can only be used once. 2. Peel the backing off the adhesive tape on the back of the magnetic piece, and place the adhesive side on the desired surface. Firmly press against the surface for at least 1 minute. Let set for several more minutes. 3. Once the magnetic piece is mounted to the wall, it can hold the toothbrush holder with the built-in magnets. Simply pull to remove the toothbrush holder from the wall. 	<h3>Charging the UV-C Sanitizer</h3> <p>Plug the small connector of the included charging cable into the micro-USB charging port on the back of the toothbrush sanitizer.</p>  <p>Back of Holder</p> <p>Plug the large connector into a USB power source, such the USB port on a computer or into compatible 5V USB adapter (not included) and plug into a wall socket.</p> <p>The LED indicator on the top of the sanitizer will turn RED when charging and turn OFF when fully charged.</p> <p>Low Battery Warning: The LED indicator will flash BLUE when the sanitizer is low on battery. Please recharge to use again.</p> <h3>Using the UV Sanitizer</h3> <ol style="list-style-type: none"> 1. Open the lid of the sanitizer and place the toothbrush head into the UV-C sanitizer with the toothbrush head facing down. The toothbrush body will stick out of the sanitizer through the toothbrush opening in the front of the sanitizer. 2. The sanitizer will automatically begin sanitizing when the case lid is closed. The LED indicator on the top of the sanitizer will turn BLUE, and the sanitizer will sterilize for the next 90 seconds. When it is finished, the LED indicator will flash BLUE 3 times then will turn OFF. 3. Once the sanitizer has completely finished sanitizing, you may open the case and remove your toothbrush. For extra deep cleaning, sanitize a second time. <p>CAUTION: This device is designed to limit human & animal exposure to UV-C light, as it is harmful to skin and eyes. This device is equipped with a safety feature that automatically shuts the UV-C light OFF when the lid is opened.</p>
