Unicorn Clip-On Selfie Light PAC123

CAUTION

To ensure safe and proper use, read all safety information before using the device. Only use with manufacturer-approved batteries, chargers, accessories, and supplies.

- **READ CAREFULLY AND KEEP THIS CARD**
- **THIS DEVICE IS NOT A TOY, do NOT allow children or pets to use or play with this device.**
- **Do not disassemble, modify, or repair the device.**
- Do not expose the unit to extreme temperatures (heat or cold), open flames, humid, or wet conditions.
- Do not submerge in water.
- Do not overcharge battery.
- If using with a USB adapter, make sure the adapter is not damaged.
- Do not allow the USB port or the connectors of the supplied USB cable to be exposed to dust, or water, or come into contact with any conductive materials such as liquids, metallic powders, etc.
- This device contains a built-in battery and should not be disposed of with regular household waste. Please consult the local authorities on the correct way to dispose of this device.

Charging the Light

Plug the small connector of the included charging cable into the charging port on the light. Plug the large connector into a USB power source or into a compatible 5V USB adapter (*not included*) and plug into a wall socket.

Setting Up

Clip the selfie light onto your device with the light facing you. The light should grip the device securely.

Using the Selfie Light

Charge the light. Press the **[Power]** button on the selfie light to turn the light ON/OFF and change the brightness setting.

Compliance Information

FCC Information

This device complies with Part 15 of the FCC Rules.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Radiation Exposure Information

This device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

Rating Label Definitions

Direct current symbol.

This symbol signifies that the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.

This symbol signifies and declares that this equipment complies with battery charging which complies with California CEC and energy efficiency.

This symbol represents FCC Declaration of Conformity and compliance.

PLR IP Holdings, LLC, its licensees and affiliates, fully support all electronic waste initiatives. As responsible stewards of the environment, and to avoid violating established laws, you should properly dispose of this product in compliance with all applicable regulations, directives or other governances in the area where you reside. Please check with local authorities or the retailer where you purchased this product to determine a location where you can appropriately dispose of the product.
