Compliance Information

FCC Information

This device complies with Part 15 of the FCC Rules.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This product complies with the requirements for Part 18 of the FCC Rules. Although this product complies with FCC, it may interfere with other devices. If this product is found to interfere with another device, separate the other device and this product.

Radiation Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

WARNING Li-Ion Battery Inside

This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

Rating Label

Definitions

— Direct current symbol.

This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.

This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.

This symbol signifies that this is a wireless device powered by Bluetooth® technology.

This symbol represents FCC Declaration of Conformity and compliance.

Warranty Information

90-day Limited Warranty

Territory: United States/Canada

LIMITED WARRANTY TO ORIGINAL CONSUMER

This product (including any accessories included in the original packaging) as supplied and distributed new by an authorized retailer is warranted by Southern Telecom, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:

To obtain warranty service:

- Visit our website at www.southerntelecom.com
- Click on **Product Support**
- Select the **Brand** of your device
- Select **Service Request** and fill out the form to begin your inquiry

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping will require you to file a claim with the carrier.

Warranty service not provided

This warranty does not cover damage resulting from accident, misuse, abuse, improper installation or operation, lack of reasonable care, unauthorized modification including software modifications such as the installation of custom firmware. This warranty is voided in the event any unauthorized person opens, alters or repairs this product. All products being returned to the authorized service center for repair must be suitably packaged.

NO WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN THOSE EXPRESSLY DESCRIBED ABOVE SHALL APPLY. DISTRIBUTOR FURTHER DISCLAIMS ALL WARRANTIES AFTER THE EXPRESS WARRANTY PERIOD STATED ABOVE. NO OTHER EXPRESS WARRANTY OR GUARANTY GIVEN BY ANY PERSON, FIRM OR ENTITY WITH RESPECT TO THE PRODUCT SHALL BE BINDING ON DISTRIBUTOR. REPAIR, REPLACEMENT, OR REFUND OF THE ORIGINAL PURCHASE PRICE - AT DISTRIBUTOR'S SOLE DISCRETION - ARE THE EXCLUSIVE REMEDIES OF THE CONSUMER. IN NO EVENT WILL DISTRIBUTOR OR ITS MANUFACTURERS BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS CAUSED BY THE USE, MISUSE OR INABILITY TO USE THE PRODUCT. EXCEPT AS STATED HEREIN, NO OTHER WARRANTIES SHALL APPLY. NOTWITHSTANDING THE FOREGOING, CONSUMER'S RECOVERY AGAINST DISTRIBUTOR SHALL NOT EXCEED THE PURCHASE PRICE OF THE PRODUCT SOLD BY DISTRIBUTOR. THIS WARRANTY SHALL NOT EXTEND TO ANYONE OTHER THAN THE ORIGINAL CONSUMER WHO PURCHASED THE PRODUCT AND IS NOT TRANSFERABLE.

Some countries, states or provinces do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on warranties, so limitation or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or province to province. Contact your authorized retailer to determine if another warranty applies.

Instruction Manual

True Wireless Buds Charging Bundle

PBT161

Before You Begin...

READ THIS MANUAL CAREFULLY AND SAVE FOR FUTURE REFERENCE

⚠Caution

To ensure safe and proper use, read all safety information before using the device. Only use with manufacturer-approved batteries, chargers, accessories, and supplies.

- **THIS DEVICE IS NOT A TOY**, do NOT allow children or pets to use or play with this device.
- Do not disassemble, modify, or repair the device.
- Do not expose to extreme temperatures (heat or cold), open flames, humid, or wet conditions.
- **Do not submerge in water.**
- Low power may cause poor Bluetooth connection or sound distortion.
- Do not overcharge battery.
- If using with a USB adapter, make sure the adapter is not damaged.
- Do not allow the USB port or the connectors of the supplied USB cable to be exposed to dust or water, or to come into contact with any conductive materials such as liquids, metallic powders, etc.
- The earbuds and case should not be disposed of with regular household waste. Please consult the local authorities on the correct way to dispose of this device.
- **Do NOT place any metal object onto the charging pad.**
- Magnetic strip cards, including credit cards, phone cards, identification cards and boarding passes may be damaged by the magnetic field if placed on or near the wireless charging pad.
- Do not place the wireless charging pad on, in or near a microwave or similar kitchen appliance.

Location of Controls

Getting Started

Setting Up the Wireless Charging Pad

Plug the small connector of the included power cable into the power port on the side of the charging pad. Plug the large connector into the USB port on a computer or a compatible **5V USB adapter** (not included) and plug into a wall socket.

An LED indicator on the charging pad will light up **solid RED** to indicate that it is connected to power.

Using the Wireless Charging Pad

The included wireless charging pad can wirelessly charge the case, and any other Qi-compatible device. Check your device's instruction manual to see if it is compatible with the Qi charging standard.

1. Set up the wireless charging pad.
2. Place the bottom of the case or device in the center of the charging pad as shown.
3. An LED indicator on the charging pad will light up **solid BLUE** when it is charging a device. The LED indicator on the bottom of the case will **flash BLUE** while charging and **turn solid BLUE** when the case is fully charged.

Note: You may need to remove the case on your device to charge. If the device does not begin charging when placed on the wireless charging pad, try repositioning it.

Charging the Case Directly

Plug the small connector of the supplied USB charging cable into the USB charging port on the bottom of the case. Plug the large connector into the USB port on a computer, a USB charging device, or **5V USB adapter** (not included) and plug into a wall socket.

The LED indicator on the bottom of the case will **flash BLUE** while charging, and **turn solid BLUE** when the case is fully charged.

Charging the Earbuds

Open the lid of the charging case and insert the earbuds into the case's earbud charging ports. The earbuds will automatically begin charging. The earbuds' LED indicators will **turn solid RED** and the LED indicator on the bottom of the case will **turn solid BLUE** when the earbuds are charging. When the earbuds are fully charged, the case's LED indicator will turn OFF and the earbuds' LED indicators will **turn BLUE** for 30 seconds before turning OFF.

NOTE: When the earbuds have less than 5% charge remaining, a voice will be heard and the earbud LED indicators will **flash RED** every 10 seconds.

Powering ON/OFF

The earbuds will automatically power ON when removed from their charging case and power OFF when inserted into the case. When inserted, the earbuds will automatically power off and begin charging, and the earbuds' LED indicators will **turn RED**.

You can also power the earbuds ON/OFF manually by **pressing and holding** the earbuds' **[Multi]** buttons.

- Press and hold the earbuds' **[Multi]** buttons for **3 seconds** to power them ON.
- Press and hold the earbuds' **[Multi]** buttons for **4 seconds** to power them OFF.

Note: The earbuds will automatically power OFF after 5 minutes if they are not paired to a Bluetooth device. The LED indicators will flash blue and red once.

Pairing the Earbuds

1. Power both earbuds ON at the same time. Hold them close together as shown at right. Both earbuds' LED indicators will **flash RED and BLUE**.
2. After a moment, a voice will be heard, indicating that the 2 earbuds have paired to each other.
3. Set your Bluetooth-enabled device to search for Bluetooth devices. Select **PBT161** when it appears on the list of found devices.
4. Once successfully paired to your device, a voice will be heard. The earbuds' LED indicators will briefly **flash RED and BLUE** and then will turn OFF.

Adjusting Playback

Once you have paired to the earbuds, you can adjust playback and volume with the controls on your paired device, or with the earbud controls below.

- Press either **[Multi]** button to pause. Press again to resume.
- 2x press the **left** earbud's **[Multi]** button to skip to the previous track.
- 2x press the **right** earbud's **[Multi]** button to skip to the next track.
- Press and hold either **[Multi]** button for 2 seconds to activate your device's voice assistant.

Phone Calls

You must be paired to a Bluetooth device to listen to music and use the earbuds' phone functions. Consult the **Pairing the Earbuds** section of this user manual for instruction.

- Press either **[Multi]** button to answer an incoming call.
- Press either **[Multi]** button again to end the call.
- **Triple press** either **[Multi]** button to redial the last outgoing or incoming phone number.
- **Press and hold** either **[Multi]** button for **1 second** to reject an incoming call, including while you are on the phone.
